

The Poem of the Glory Found in the Private Groves of Love

The Siddha Kunjika Stotram is a masterpiece of devotional and tantric writing. It is a modest series of verses which convey a depth of intimate adoration for the Great Goddess.

Following is a poetic rendering of a portion of the Siddha Kunjika Stotram. I believe it retains the integrity in translation and is inspiring in presentation.

om aim hrim klim camundayai vicche

*To the infinite Goddess who eternally creates, preserves and destroys,
I ask that you remove my agitation and hate,
so I may behold your vision in my consciousness.*

om glaum hum klim

*You are the Infinite that guides through intuition,
that cuts away separation,
and dissolves the bondages in time and space.*

jum sah jvalaya jvalaya jvala jvala prajvala prajvala jvala ham sam lam ksham phat svaha

*You are the pure brilliant flame
that burns and burns,
illuminating, illuminating,
blazing and blazing,
until the fire reveals I am one with you,
divine in all ways and manifest everywhere.
In freedom from fear and doubt,
I offer all of my self to you.*

namaste rudra rupinyai namaste madhu mardini

namah kaitabha harinyai namaste mahisardini

namaste sumbha hantryai ca nisumbhasuraghatini

I lovingly welcome you, the manifestation that removes suffering.

I lovingly welcome you, who helps me overcome my passivity.

I lovingly welcome you, who helps me overcome my aggressiveness.

*I lovingly welcome you, who helps me overcome my contracted identity which arises
from my fear of everything and everyone.*

I lovingly welcome you who helps me overcome the imbalances in my being.

jagratam hi maha devi japam siddam kurushva me

aimkari srsti rupayai hrimkari prati palika

May you awaken within me, Great Goddess.

Bless me that I might become perfectly enthralled in repeating your name.

You are the energy that creates all form.

You are the primal power that preserves and protects.

klimkari kama rupinyai bija rupe namstute

camunda chanda ghati ca yai kari varadayini

You are the divine energy behind all pleasures.

I lovingly welcome you as the seed-essence of all form.

*You remove agitation and hate, eradicate misguided passion,
and you give all gifts without being asked.*

vicce cabhayada nityam namaste mantra rupini

May my consciousness be eternally free of fear,

and may I honor mantras, sacred phrases,

as your form in this world.

dham dhim dhum dhurjateh patni vam vim vum vagadhisvari

kram krim krum kalika devi sam sim sum me subham kuru

You are the partner of god Shiva, King of Compassion.

You are the Queen ruler of positive vibrations.

You are the Goddess beyond time.

You make it easy and comfortable to approach you.

hum hum humkara rupinyai jam jam jam jambhanadini

bhram bhrim bhrum bhairavi bhadre bhvaynyai te namo namah

You come in form to ease my sense of isolation.

You are a divine thunderbolt of delight.

You are gentle and you are fierce.

I lovingly, so lovingly welcome you as the bestower of the divine mood.

am kam cam tam tam pam yam sam vim dum aim vim ham ksham

All aspects of creation are the expressions of your vibrations.

*I yearn for you to remove all that separates us so that I can perceive your divine
creation.*

I yearn to merge into you, the Alpha and Omega.

dhijagram dhijagram trotaya trotaya

diptam kuru kuru svaha

*May I arise and be free, arise and be free,
illuminated with sacred light.*

Thy will be done --

We are One.
